NEW BOOK RECOMMENDATIONS BY PASTOR HOSLER

There are two new books in the library that Pastor Hosler recommends with minor qualifications.

First is *"God's Profits: Faith, Fraud, and the Republican Crusade for Values Voters"* by Sarah Posner. Though the author does not share Pastor's political views, she does an excellent documentary job of exposing the fraud of many TV evangelists regarding their involvement in politics and fundraising. You need to read this.

The other book is *"Divorce and Remarriage in the Church"* by David Instone-Brewer. This book has the answers to many of the difficult questions that Christians have been asking about what, if any, grounds there are in the Bible for divorce and remarriage. The author expounds upon grounds for which God allows divorce and remarriage, and also God's desire for reconciliation and restoration in every case. This is a must read.
