### NEW IN THE LIBRARY (DVD)

As a high school freshman, Lee Strobel became convinced that God did not exist. An atheistic worldview deeply influenced his academic years and early career as a journalist. In 1980, his wife's conversion to Christianity led him on an intensive search for the truth about God, beginning with science.

Available now in DVD format are his three investigations entitled:

*"The Case for a Creator"*  
*"The Case for Christ: The Film"*  
*"The Case for Faith"*  
 (The library also has these in book form.)

*"Love Takes Wing"*

The 7<sup>th</sup> Janette Oke DVD produced by Michael Landon Jr.
