FOR ANYONE INTERESTED IN BECOMING A PMR (Personal Missionary Representative), the following are some things to consider should you decide to take on this responsibility. PMRs are asked to correspond with their assigned missionary as often as possible. Please notify the Missions Committee of any special needs and also keep the church office informed. If you so desire, you may send a gift to your missionary. If possible, try to obtain current photos of your missionary. If your missionary comes to town, you may offer to provide housing for them. Those wishing to receive letters from your missionary have signed in the blue notebook in the foyer; it would be your responsibility to distribute the letters, as they arrive, to these people. And last, but certainly not least, please remember to pray for them. The main purpose is to be an encouragement to your missionary. For more information, you may contact any member of the Missions Committee or the church office.
