Dale Ratzlaff is a former Adventist pastor who studied his way into the free-grace gospel. He is now the pastor of a large free-grace gospel church in Arizona. The website listed below is an excellent video lesson he taught on the true meaning of the Sabbath. The presentation he gave on the topic is now online. Find it at www.youtube.com "Dale Ratzlaff: Does the Sabbath continue in the New Covenant?" There are so many thousands of people who have gambled the eternal destiny of their souls on the false belief that worshiping on Sunday is the mark of the beast and that resting on the 7th day is essential to eternal salvation. If you care about these people, learn about this subject and how to present the gospel to them.

"The purpose of Napier Parkview Baptist Church is to fulfill God's plan of making disciples of Jesus Christ who WORSHIP God, MINISTER to one another, and WITNESS to the unsaved so that God is glorified."

THANK YOU for praying for John and I as we traveled to many villages and cities in Ukraine the past two weeks. The Lord granted us safety as we covered thousands of miles using air and land transport. The Lord is good, and is building His church throughout Ukraine and the former Soviet Union. The brethren throughout Ukraine send their heartfelt greetings and thanks for your prayers and contributions sent to assist them in spreading the gospel. May the Lord strengthen and add to His church there. Thank you for your partnership in CIS' ministry.

Yours in Christ's Service,
CIS (Christian Involvement in Service)

DEAR NAPIER FAMILY,

So many memories...we've laughed together, cried together, prayed together, and worshipped together. Now it's time for me to move on, to leave this place that has been a "home" in order to be closer to my family. It's hard. I've prayed and pondered, but in the end I know it's what I need to do for my own emotional health. I will update the office with my new address as soon as possible. When you think of me, I hope you will remember me with laughter, for that's how I'll remember you (that quote is from Little House on the Prairie, but true).
