## DEAR CHURCH

How we praise the Lord for each of you! Thank you so much for all your prayers, cards, the lovely plant, and kind words of support. We appreciated Pastor Hosler and Dan's presence at the hospital, which gave us added strength after Kathy's father's fatal accident. We love you.

## DEAR FRIENDS

Let me just say that the healing process seems to be working on the wound caused by two veins which were injured several months ago. Healing is a little slower in a person my age and being on the tip of my foot meant to try closing off the veins with out doing extensive surgery. God has been with me all the way or I would have given up before now. I have been blessed by your prayers, cards, and phone calls. May God bless you as you serve Him.
