OUR DEAR CHURCH FAMILY,

We want to gratefully thank each one who prayed for us, and those who sent flowers, cards, phone calls, and visits, and those who brought us delicious food during Donna's recent surgery. A special thank you to our Pastor Hosler and Susan for their prayers and visits at the hospital. We're grateful to belong to this loving, caring church family, and love each one of you. His grace is sufficient for me.

With Jesus' love,

Rich & Donna LaBaumbard

THANK YOU for the cards, visits, food, and especially the prayers for me while I've been ill. I appreciate my church family so much!

Willie Mae Tomlinson

THANK YOU for your prayers, calls, cards, and visits over the last weeks. I am not hurting as much now and I hope to be able to be back at church again soon. I love you all and I miss you.

NEW REQUESTS:

UPDATE:

Oscar Stubelt—Has bronchial pneumonia. He says he feels a little better, but will go back to the doctor tomorrow.

ONGOING CONCERNS:

- Erika Spitzke**—The blood test was normal. Her vision has improved (some days it is perfect and other days a little blurry). The retina specialist reconfirmed that her eye is fine and doesn't know what caused the problem. Please continue to pray.

- Jim Hodina (Jim & Jo Ann Rhodes' son-in-law)**—A PET liver scan was scheduled today and, depending on those results, another test might be needed tomorrow. They are resting in God's sovereign will.

MISSIONARY OF THE WEEK

Virgil & Lois Reeves

During January, Virgil taught a two-week class at Geneva Bible Institute in Switzerland. He taught French to men and women that are being trained to be part of church-planting teams in French-speaking countries. He made quite an impression on some of the students.

Virgil just returned from a trip to the Congo, while Lois visited their daughter, Charlotte, and her family in Philadelphia. Virgil worked to get a better idea of CrossWorld's continued involvement in this war-torn country.

Prayer Requests:

- Safety in travel.
- Virgil will be teaching a course on church history in Lasi, Romania. Then he will go to Ireland April 14-28 where Lois will catch up with him.
- They both will be traveling to Bosnia and Kosovo to encourage and train CrossWorld missionaries on April 29-May 10.
- June will be spent near their home in Pennsylvania for a candidate orientation of potential missionaries and a pre-field orientation for new missionaries.
- Physical stamina and good health.
- Wisdom in each situation and wise use of their time, at home and abroad.

Praises:

- Safe arrival of their newest grandson, James Perdeu (born to Sara), on November 16, 2005.
- Virgil's carryon was left in a taxi in Rwanda (while in the Congo), but they were able to get it back!
- They will get to see their friends at Napier very soon.
