**Burt Kettinger**, baritone soloist from Wheaton, Illinois, will appear in concert here at Napier on Sunday, September 19th, at 6:00 p.m. For over thirty years, Burt has traveled the U.S., Canada, and other parts of the world presenting a unique blend of musical styles with scriptural thoughts and insights to challenge Christians in all stages of spiritual pilgrimage. His rich bass-baritone voice is both pleasant and relaxing to hear. Many have testified that his concerts have helped significantly to reduce the sense of stress in their lives. His keyboard stylings, whether at the synthesizer or piano, add variety and enjoyment to the concert. The concert will consist of traditional and mildly contemporary gospel songs and hymns.

Burt has sung and/or spoken to many church, civic, and youth gatherings as well as Bible and mission conferences, camps, crusades, radio, and television programs. Whatever the setting, he is committed to presenting a clear and practical message to encourage and challenge people.

Everyone is invited and will not want to miss this opportunity for musical enjoyment and worship. Burt has several stereo recordings which will be available at the concert including his newest release, "Stand In Awe."
